Online

Tutor

July 2023- Present

- Worked with students nationwide as a tutor for math and physics at a high school level.
- Designed curriculums customized to suit students with different goals, aspirations, or needs.

Milkdromeda

Naperville IL

Founder, Team Leader, Team Member

August 2020 – May 2022

- A robotics team I helped found with my younger brother participated in the FIRST Tech Challenge.
- Along with being a team member, I worked to manage team meetings, help team members meet deadlines, mentor new members, and run team social media/team outreach.
